

This apartment on a 10th and last floor with elevator, just at 300 meters from the beach of Sant pere Pescador is an ideal option for your vacation by the sea.

Apartment with views open to the sea on the 10th and last floor of a property with community pool, in a very busy and very sunny area. It has entrance hall, large lounge dining room with access to the terrace, independent kitchen, 2 double bedrooms, 1 full bathroom with shower and a large terrace with beautiful views of the sea and the horizon. EXTRAS :Elevator, PVC windows with double glazing, kitchen completely equipped. It is sold without furniture. Sant Pere Pescador is located at the mouth of the river Fluvià, surrounded by beautiful farmland and coastal scenery. Here you will find many orchards and flowering embankments. The old center has conserved its traditional architecture and is home to small traditional restaurants serving regional cuisine, as well as all shops for daily needs. As it is an old fishing town, of course you can still buy fresh fish every day. In summer, the fruit and vegetables come from the surrounding gardens and fields. Every Wednesday morning there is a market held under the plane trees on the riverside. Here you will find fruit and vegetables, meats and local cheeses, as well as cheap textiles and..
