

Plaça dels Homes, 4, Castelló d'Empúries, 17486

Magnificent and bright apartment in the Historic Center of the medieval town of Castelló d'Empúries, with views of the Plaça, with rustic finishes and very close to the sandy beaches of Empuriabrava and the Bay of Roses.

Restored apartment, preserving the high ceilings, wooden beams and elements that give it its charm. Spacious rooms with lots of light thanks to the three balconies. Modern windows-doors with double glazing and tilt-and-turn section for perfect ventilation. Mosquito nets in all of them. From the balconies you can enjoy the view of the old houses of the Plaça of this medieval town. It consists of a kitchen-dining room, a separate living room, a master bedroom with direct access to the bathroom and the walk-in closet, and an additional bedroom, ideal for guests, ironing room, etc. The kitchen is equipped with an osmosis device for drinking water, gas hob, oven, fridge and dishwasher. Going up the stairs there is a laundry room, where the washing machine, the water softener and the butane gas heater are located. It has a small balcony with a clothes line, which has a fabulous view over the Basilica of Castelló d'Empúries and in the distance the sea of the Bay of Roses. Sold furnished. Castelló d'Empúries offers a large number of cultural attractions and is located a few kilometers from the tourist areas of Empuriabrava and Roses with their magnificent beaches. Less than 1 km away we find a large shopping center (there are small shops with everything you need a few meters from the apartment in the very center) and 10 minutes from Figueres, the highway, the AVE, etc..
